

# 7<sup>th</sup> INTERNATIONAL CONFERENCE ON SOFT MATERIALS (ICSM-2026)

November 01<sup>st</sup> - 04<sup>th</sup>, 2026

Organized by

Indian Institute of Technology Mandi,  
Himachal Pradesh, India

Soft Materials Research Society,  
Jaipur, India

Malaviya National Institute of Technology  
Jaipur, India

<https://smrsi.org/icsm2026/>

[icsmoffice@gmail.com](mailto:icsmoffice@gmail.com)

## CONFERENCE TOPICS

### SOFT MATTER

- Active Matter
- Biological Matter
- Dynamics of Complex Fluids
- Living Matter
- Liquid Crystals
- Self Assembly

### COLLOIDS AND INTERFACE

- Gels and Hydrogel
- Nano and Microfluidics
- Surfactants & Lipids

### POLYMERIC MATERIALS

- Biodegradable Polymers
- Elastomers
- Membranes
- Polymer Interfaces
- Polymer Separation and Filtration

### POLYMER PHYSICS

- Amorphous and Structured Polymers
- Physical Properties of Soft Materials
- Rheological Aspects in Polymers
- Theory and Simulation of Polymers

### POLYMER FOR BIOLOGICAL APPLICATIONS

- Bio-Inspired Materials
- Bioimaging
- Biosensors and BioMEMS
- Drug Design and Delivery
- Tissue Engineering

### SOFT MATERIALS FOR ELECTRONICS APPLICATIONS

- Flexible Electronics and Storage
- Organic Electronics
- Patterned Nanostructures
- Flexible Sensors

### FUNCTIONAL MATERIALS

- Block Copolymers Nanolithography
- Functional Polymer
- Nanocomposites and Hybrid Materials
- Polymer Nanocomposites
- Soft Nanofabrication

### MATERIALS FOR ENERGY APPLICATION

- Battery and Fuel Cells
- Biofuels and Bioenergy
- Hydrogen, Generation and Storage
- Gas Sensors
- Solar Cells (Organic and Hybrid)
- Thermoelectric Materials
- 2D, COF, MOF Materials for Energy Conversion and Storage

Dear Colleagues,

We are pleased to announce the 7th International Conference on Soft Materials (ICSM 2026), to be held during November 01-04, 2026, at the Indian Institute of Technology Mandi, Himachal Pradesh, India, in association with the Soft Materials Research Society (SMRS), India.

Initiated by SMRS in 2014, the ICSM conference series has grown into a well-recognized international platform dedicated to advances in soft materials science and technology. Previous editions, ICSM 2014, 2016, 2018, 2020, 2022 and 2024 have brought together leading scientists, academicians, and young researchers to share their latest research and foster collaborations.

ICSM 2026 will continue this tradition by featuring distinguished plenary and invited speakers and providing a vibrant forum for researchers, students, and postdoctoral fellows to exchange ideas, discuss emerging challenges, and explore new opportunities in the field of soft materials.

On behalf of the organizing committee, it is our great pleasure to invite scientists, academicians, young researchers, and students from across the globe to join us in sharing and advancing recent developments in the field of soft materials. We look forward to welcoming you to ICSM 2026 for another professionally stimulating and enjoyable conference experience.

A heartily welcome!

**Prof. Satinder Kumar Sharma & Dr. Kamendra Awasthi**  
On behalf of Organizing Team ICSM 2026

## IMPORTANT DATES

ABSTRACT SUBMISSION OPENS

ABSTRACT SUBMISSION CLOSES

ACCEPTANCE NOTIFICATION

REGISTRATION CLOSES AT EARLY BIRD RATE

REGISTRATION CLOSES WITH NORMAL FEE

Venue: Indian Institute of Technology Mandi, Himachal Pradesh, India
